

Antoni Agramunt, 8, Castelló d'Empúries, 17486

Village house - Castello d'Empúries Warmth, character, spaciousness and comfort. In the historic old town of the Comtal village of Castelló d'Empúries we put at your disposal this beautiful house, partially renovated respecting important elements of the time such as the stately staircase of the entrance, the dentins, the wood

...

The house is divided into three levels, on the first level at the foot of the street, we find the entrance hall from where we can access the area that you can finish to reform to your liking with several possibilities and with access to a garden. On the first level, completely renovated, there is a large dining room, an intimate and functional living room, three double bedrooms and one single bedroom, two bathrooms, a spectacular kitchen equipped with all the details, large, bright and with exit to The terrace where you spend time with family or friends and enjoy the barbecue. On a second level we find a very practical washing room with exit to an intimate and private terrace with enough space to extend the clothes and also to spend time in the sun, read a book ...At this same level we also have two clear spaces to finish the renovation and distribution to your liking with the roof to two waters. And we still have the most special part of the house that is its exterior, a large garden where you can make your pool and also has a closed space to store up to four vehicles
